- On-site recognition and signage at registration and dinner
- Identification as Hole Contest Sponsor in printed materials

### Where will my money go?

All funds raised from this tournament will go towards supporting Water for People Programs in Peru. Water For People began its program in Peru in 2008 and began 'Everyone Forever' programming in Cascas 2011 and Asunción in 2013. Significant progress has been made in these areas over the past several years. For example, in Asunción since 2013 household water service has increased from 8% to 72% and the number of households with their own latrines has increased from 52% to 70%. Water and sanitation service coverage for schools and clinics in Asunción has also been increased from 4% to 92% since Water for People started working in the country.

Water For People exists for one purpose, and it's as simple as our name: we want all people to have safe, continuous water and when they do, our job will be done. We want water for everyone, forever.

Water for People engages people to find out how they live and what they need to feel healthy, safe, empowered, and successful. The solutions we develop are based on long term needs – and long lives. We don't want to be around forever, but we want clean healthy water to be. With your support, we can make this possible!

*It's your opportunity to make a difference for others*
